to the citizens of the town and vicinity. He worked the engine. I think I could go sport of him shalehed up the check in a turbed almaher with the dulect are hopes by strict attention to business, to merit along pretty well with the coak if turbed. continuance of the liberal patronage, he has

Knew he Could run That Engine.

Not long since a boy of some seventeen years of age called on a merchant doing a large business in New York. Being busily employed at the time, the boy had to wait a little before getting an opportunity for an interview. Quensionally the merchant cast a glance at him as he stood respectfully at a short distance. He was rather poorly clad, and showed evidence of Prompt attention given to the collection of claims and all legal business extrusted to his esty and common sense, with a firm and energetic mauliness under the somewhat rude exterior. A practical business man requires but brief examination of a boy to adjacent counties. Prompt attention giv. declare as to his weight and worth of character. When at liberty the merchant said, 'Well, my young friend, what can I West do for you?"

"I called, sir," he replied, "to ask you for a situation as an engineer. I was told Atterney at Law and Notary Public, you were having a new one built, and I want you to give me the place. I'd like to run it for you."

"Are you an engineer?" asked the gen-

"No, sir, but I can be" he answered, setting his lips firmly together and standing squarely before the gentleman, and looking him full in the face. "I don't understand the business well; I know something of it though. But'I can be an engineer, and I will be; and I wish you

new engine built for a certain department It was no object except to help the boy his application.

he dismissed him.

"How do you spend your evenings?"

"I attend the free shools at Cooper In-

stitute, studying mechanics," he replied;

boy would make a man, and he deserves to be helped. I have not told him so, but Dear Mr. Editor: taking charge then let him have the en- your paper would reach the good people gine. He will get twenty dollars a week of Point Pleasant.

Mother's Journal.

A BIG MISTAKE .

On Monday an old gentleman from Washington county came to this city for two bonds of the Washington Branch Railroad. He went to the chief clerk at Camden station, and the clerk filled up a check for six dollars, the amount of interest due on the bonds for six months. The check was given to the gentleman from Washington county who carried it to the treasurer of the company for the purpose of baving it signed. It bappened that when the check was presented for the sigin signing a number of others. He took His modest but determined manner desk, but before signing it, he crossed the pleased the merchant. He was having a room to get a drink of water. He then intellectual advancement. It is so conduof his business, and of course, had as handed it to the old gentleman, who took dies, to "trip the light fautastic toe" until venerable" John Hall, of Mason, in the Kanawha or Ohio River Boats, can con-ult many experienced operators as he desired. The check without examining it and went the twee hears of morn," then overheated Third district, and says that he is in 46-Such deeds he was noted for -a fact which, nell, ticket agent, asking him to cash it they retire to their rooms, sleep banished cept the Civil Rights Bill.
